

# **NFRA**

**The National First Response Association is now accepting applications for membership. The requirements are as follows:**

- 1. Each member must first have current certification from Millennial Health Services for mold training Testing and Remediation.**
- 2. Each member must have a current business license and states tax ID for the state in which they reside and any additional states registered to do business in. (Additional optional information-Better Business Bureau membership number).**
- 3. References of work performed (At least 3).**
- 4. State Industrial Insurance for any employees or w-9's filled out and signed for any subcontractors.**
- 5. Statement of proof of liability Insurance for which states you choose to work in.**
- 6. Association dues of \$500.00 plus 10% of all jobs. The \$500.000 must be paid in advance (by May 23<sup>rd</sup> 2006 for this year). If dues are not paid you will not be called for any jobs. 10% of the gross of each job must be paid to NFRA before any new jobs are given.**
